

Lisa's Short Story

Hi Paul,

Life after sarcoma !! Lisa is a young lady that had a Ewing's sarcoma excised from her forearm in October 2014.

She underwent Chemotherapy before and after the excision. Lisa and her partner have recently donated money to our appeal in grateful thanks.

Great News

Hi Jane

Hope you are well

Just thought I'd let you know that baby Eva Luisa Barberá-Clarke arrived 30/4/16 @ 8.35pm weighing 7lb 3oz I am totally in love with her she's just perfect :) attached a couple of pics

Xx
